

Conditions of participation

1. **Registration** Registration for the Intercamp is only possible using the form provided on our website at intercamp.info for participating troops and service teamers. Registration is binding for participants and service team and becomes effective with payment.
2. **Cancellation by us** We can withdraw from the contract at any time. If the Intercamp cannot take place due to an official order or legal regulation (e.g. due to a pandemic), we will only refund the participant fees to the extent we can. We must fulfil contractual obligations that we have already entered into and can no longer cancel. Any remaining funds will be refunded to participants on a pro-rata basis. In all other cases, we will refund the fees already paid. No further claims against us as organisers will be accepted.
3. **Cancellation by you** We only have a limited number of places for each participating nation and often the demand is higher than the number of places. In the past, there have unfortunately been groups that have registered with a large number of participants and have not come to the camp or have come with fewer participants. As a result, other groups have not been able to participate. For this reason, we cannot refund your participation fee if you do not come to the Intercamp or come with fewer participants.
4. **Data protection** We collect, store, process, use and delete personal data, this is always in accordance with the Data Protection Regulation (DSGVO) and other valid data protection regulations. All necessary technical and organisational measures have been implemented to ensure complete protection for the personal data processed. As a matter of principle, personal data will not be passed on to third parties without consent.
5. **Confirmation of participation** The confirmation will be sent to the given e-mail address after payment.
6. **Insurance** We take out an event liability insurance for the Intercamp. All scouts and troops participate in the camp at their own risk and are required to arrange for adequate insurance coverage. All troops are responsible for their own medical requirements. All participants are liable for their own property.
7. **Violations of our rules** If you or participants of your group repeatedly disregard our camp rules or commit other gross violations, we have to send you or your group home at your own expense.
8. **Pictures** For the purpose of public relations, picture and video recordings will be made during the camp, which will be used for publication on our website and social media channels. We will take your interests and concerns into account and will only show groups and activities in pictures, not pictures of individuals. If you do not agree with a specific use in an individual case, please write to us and we will find a solution. We are entitled to use, store and use the media without any restrictions in terms of time and place. These media are used exclusively by us and no commercial purposes are pursued.
9. **Applicable law and place of jurisdiction** This agreement shall be governed exclusively by German law. The place of jurisdiction for all disputes arising from this agreement shall be Bad Homburg v.d.H., unless otherwise stipulated by mandatory law.
10. **Severability Clause** Should any provision of this agreement be invalid, this shall not affect the validity of the remaining provisions. The parties undertake to replace the invalid provision with a valid provision that comes as close as possible to the invalid provision.
